EDUCATIONAL STUDY FOR High School Students & Teenagers

The Department of Education's National Center for Education Statistics (NCES) needs teenagers to evaluate survey and/or test questions for the High School and Beyond 2020 study. Parents may also evaluate survey questions.

We especially want to hear from:

- Parents and their 9th-grade students
- 12th-grade students
- 17- and 18-year-olds not enrolled in school
- Non-native English speakers

Individual interview sessions last 30, 60 or 90 minutes.

Teenagers will receive a \$25 or \$35 gift card depending on their time commitment.

Parents will receive a \$25 gift card for transportation or a \$50 gift card for participation.
